

Year 3 to Year 6 weekly challenges

Creativity

Choose a challenge to complete. You could also ask an adult to share your challenge on Twitter @Cornerstonesedu or Instagram @cornerstonesedu.

Put a sock in it

Use a clean but old sock to create a sock puppet of a character from one of your favourite stories. Plan your ideas before making your puppet, using buttons, materials and other resources available to you. Write a speech for your character and perform it to an adult.

Fabulous Fabergé

Use the internet to find out about Fabergé eggs. Look carefully at the designs and colours, making notes and sketches. Design a new, fabulous Fabergé egg by drawing your ideas first before transferring it to a real hard boiled egg. Take time to add opulent details using sequins, glitter pens and other materials.

Game

Use play equipment, such as balls, ropes and hoops, to invent a new competitive game. Devise a set of rules and teach the game to others in your household. Play a game and keep score. Who is the winner?

Journey to fame

Find out about the work of your favourite artist, musician, author or actor. Write a short biography or timeline to show their journey to fame. Was it an easy journey? What obstacles did the person overcome?

Egg-mobile

Use a range of recycled or construction materials to make a moving vehicle that can carry an egg from one place to another without breaking. How many eggs can it carry?

Sketchy clues

Choose 10 different objects from your indoor and outdoor space. Draw a close up sketch of a tiny part of each object. Cut out your 10 sketches and challenge your family to hunt for the objects. How could you vary the difficulty level when you play it again?
