

# Year 1- Autumn 2

Welcome back after half term, the children have worked brilliantly in the first term back at school and have got use to the changes in place to keep them safe. The children are now use to the routine we have in Year 1 and are thoroughly enjoying the continuous provision they have access to. We are very proud of them!

In view to keeping your child safe, we ask that you don't come into the classrooms and you encourage your children to come in independently with the minimum of items. They will need only need their lunchboxes, morning snack (we do provide fruit) and a **named drinks bottle**. Please can we ask for wellies to come in to school so your child can access the outdoor provision as it can get very muddy.

**Homework – weekly homework is set, with a writing element that the children can complete on the lined papers in the book, a maths task and phonics and spelling aspect. We ask that you complete all sections of the homework with your child as it consolidates what we have been learning in school.**

**Thank you for your continued support with this.**
