

School Gateway APP

We ask that all parents fully sign up to the Gateway App. Through the App you can:

- Sign your child up to a club;
- Pay for a trip / order;
- Give consent for an activity (through the payment section, please ensure you check out even when no charge);
- Send and receive messages via the App facility;
- Let us know if your child is going to be absent;
- And much more...

Please ensure you do not log out of the app as this can affect the ability to receive messages.

Every child who has full parental access on the App will be entered into a £50 One4all voucher prize draw. Please fully register by 21st October.

Data collection sheet

Please go onto our school website www.exeterschool.co.uk, go to the 'Parent Zone' and complete a **Data collection** sheet – this ensures we have all your up-to-date contact details. Please do this even if you think your details are up-to-date.

Every update we receive between 1st September and 21st October will be entered into a £50 One4all voucher prize draw – one entry per child.

This is the last paper copy of a letter to be sent out – all future correspondence will be sent via the school Gateway APP.

Consent Form

Please go onto our school website www.exeterschool.co.uk, go to the 'Parent Zone' and complete the **parental consent form**. Even if you believe you have already done this, please complete again so we have the most up-to-date information for your child.

Every entry we receive between 7th and 21st October will be entered into a £50 One4all voucher prize draw – one entry per child.

Some of these permission may have already been asked this term via the Gateway App. However please complete this link as this covers all main permissions needed in school. Thank you.

Account activation

Navigate to www.schoolgateway.com

Select the **New user** tab

Select **Send PIN** - your 4 digit PIN will be sent via text message to your mobile phone.

You will need this PIN number each time you log in so keep it safe!

Logging in

Navigate to www.schoolgateway.com

Enter your email address and PIN number

Once you have logged in you will be directed to the **Home** screen

The children you are linked to will be displayed
