Dear Parent / Guardian,

Band lessons on the electric guitar, drums, keyboard or vocals will soon be available at your child's school through a visiting tutor from Rocksteady Music School. Lessons can build children's **confidence**, support their **progress** at school while enhancing **wellbeing** along the way.

More information about lessons:

- Choose from **drums, guitar, keyboard, or vocals** subject to availability. Lessons take place during school time and are open to all year groups, with no experience necessary. All instruments are provided.
- Your child will learn their **favourite songs** in a ½ hour weekly band practice, led by a visiting Rocksteady Band Leader. A proven way of giving them a great musical grounding.
- Rehearsals build towards a **performance** each term. A fun way for your child to build their self-confidence and show you and their friends just how far they've come.
- A highlight of the week for £31.25 a month (*No payment in August*). There's a **money back guarantee** for the first month and you are **free to cancel at any time**.
- Rocksteady lessons boost confidence and promotes wellbeing while children have fun with their friends, and also progress at school.

Places are offered on a first come first served basis. Find out more and book your child's place online at [rocksteadymusicschool.com](http://rocksteadymusicschool.com)

Kind Regards,

**Mark Robinson**

## WHAT DO PARENTS SAY ABOUT LESSONS?

It's a very child centred, progressive and pastoral way of teaching and I cannot recommend Rocksteady highly enough.

Justine

Watching her confidence and her loving every minute of being a Rockstar has made me immensely proud.

Katie

My daughter who has previously been held back due to shyness and a lack of confidence, sang her song with a smile and can't wait to carry on the lessons.

Jenny

I enrolled my daughter into Rocksteady on the last term of her infant school and wish I'd enrolled her earlier!

Victoria

Jimmy has absolutely loved being part of Rocksteady since year 3! You've given him great confidence and a real love for music, especially drumming!

Louise

The best thing is that they are with their friends, have a band and have fun. No pressure!

Kirsty

He looked forward to going to school on Rocksteady days. Even when he had a sick day, he asked 'Can you take me just in time for Rocksteady?'

Kalai

It's a great fun atmosphere and she enjoys every lesson so much; she wishes she could do more!

Jessica

For a child with dyspraxia who struggles to co-ordinate herself to write in class, it's been amazing seeing her take to drumming.
