

Thursday 10th June 2021

Dear Parents / Carers

We have decided to support the Cystic Fibrosis Trust and invite all our children to wear yellow on Friday 18th June. This is a charity that is very important to Exeter as we have 2 children that currently attend who live with this condition and come into school without fail and refuse to let this condition get in their way!!

To raise awareness, we are asking all children to come into school on Friday 18th June if they wish wearing something yellow. Whilst we are not asking for a donation, if you would like to donate some money, we are happy to send this as a school donation on your behalf. If you wish you can visit <https://www.cysticfibrosis.org.uk/get-involved/fundraising> to donate online. Cystic Fibrosis is a genetic condition that affects more than 10 600 people in the UK.

At Exeter we are committed to promoting understanding of difference and diversity and we are very much looking forward to this event – so put on your yellow!!!
