

2021-22 – Academy Improvement Board of Exeter a learning community

Welcome to the Governor section of the school website. Our Governors are a key part of the strategic leadership of the school and play a vital role in helping to ensure our children get the best from their time in Exeter a learning community.

The Academy Improvement Board of Exeter a learning community is a vibrant group of volunteers, who help set and dedicate themselves to the vision, values and strategic direction of the school. They share responsibilities for monitoring and evaluating the performance of the school in delivering an excellent, broad and balanced education for **all** its children.
