Dear Parents of Year Six Pupils,

**SATS Revision Guides for sale**

Towards the end of Year Six, during the month of May, 10 and 11 year olds all over the country take national assessments, commonly known as SATs, which assess their reading, grammar and mathematics knowledge. The results of these assessments are then passed onto their secondary schools. Although the SATs are nothing to worry about, we want the children to be as well prepared as possible to give them the best chance of achieving the good results they all deserve. With that in mind, we are offering discounted revision guides to purchase through the school. The titles we have available to purchase through school are:

- KS2 English, Maths and SPaG: SAT Buster 10-Minute Tests £5 for all three books **\*recommended** (normally £4.95 a book).
- KS2 Maths: SAT Buster (3 book set) £5 for all three books (normally £3.95 a book)

These CGP revision books have proved invaluable for children in the past and we would encourage you to purchase if you. If you wanted to choose just one set, we highly recommend the 10 minute test set as the one to get.

To purchase, go to the Gateway APP. Choose the set / sets you want, add to basket and pay at the end.

We are asking for all orders to be placed by **Tuesday 15<sup>th</sup> March**. This will give us time to place the order and have them delivered before the Easter Break.

Yours faithfully

The Year Six Team
