

Exeter
a learning community

18 October 2022

Dear Parent / Carer,

Parents' Evening: Tuesday 8th and Thursday 10th November 2022
Years Reception – Year 6

We would like to invite you to attend our first Parents' Evening of this academic year in November. This is an important appointment and provides you with an opportunity to discuss how your child has settled into their new class and how they have started off academically, as well as ways in which we can continue to support you both in school and at home.

For children who are on our Special Educational Needs (SEN register), this parent meeting will also provide an opportunity to discuss your child's progress towards their previous targets, as well as set new ones for the coming term.

These meetings will be face to face in school and last 10 minutes.

Appointments can be made from Monday 17th October 2022. Please visit the 'My Child at School' App and make your appointment.

If you have more than one child in school, please ensure you leave at least a 10 minute gap from the end time of each appointment between children to allow you time to move around the school building.

If your child is in Nightingale (Nurture) or Kirby class, please book your appointment with Miss Light, not the class teacher.

If you have any problems with the APP, please contact a member of the school office.

Yours sincerely
Mrs J James
