Tuesday 4th October 2022

After school Coding for Year 5 and 6

We are excited to say that we are running an afterschool coding on a Monday for Years 5 and 6 next half term, starting 31st October until 12th December.

This club is open to all Year 5 and 6 children, of all abilities.

This club will focus on coding using the computers, creating own programs and computer games.

If you would like your child to take part in this coding club, please visit the 'My child at school' APP, go to the club section and confirm their place. Places are limited.

The club will run until 4:30pm, when they will need to be collected from the school office.

If for any reason your child can not attend one week, please let the school know in advance.

If you have any questions, please contact me via dojo or leave a message with the school office.

Yours Faithfully

Emily Richardson
(Year 5 teacher, computing lead)
