After school – Computing Year 1&2

We are excited to say that we are running an afterschool Computing Club on a Wednesday for Years 1 and 2 next half term, starting 2nd November until 7th December 2022.

This club is open to all Year 1 and 2 children, of all abilities.

This club will focus on using purple mash to explore educational games, programming and art on the computer, as well as Numbots/TTRockstars.

If you would like your child to take part in computer club, please visit the 'My child at school' APP, go to the club section and confirm their place. Places are limited.

The club will run until 4:15pm, when they will need to be collected from the school office.

Your child will not need to bring anything to computer club.

If for any reason your child can not attend one week, please let the school know in advance.

If you have any questions, please contact me via dojo or leave a message with the school office.

Yours Faithfully

Miss Fellows
