

8th December 2022

After school Construction

We are excited to say that we are running an afterschool Construction Club on Friday's for Year 2 and Year 1 next half term, starting on 6th January 2023 to 3rd February 2023

This club is open to Year 1 and Year 2 children (KS1).

This club will focus on your child's building and construction skills and learn how to work in teams and construct a building or structure.

If you would like your child to take part in this construction club, please visit the 'My child at school' APP, go to the club section and confirm their place. Places are limited.

The club will run until 4.15pm, when they will need to be collected from the school office.

If for any reason your child can not attend one week, please let the school know in advance.

If you have any questions, please contact me via dojo or leave a message with the school office.

Yours Faithfully

Miss McKee
