### **After school Gardening Club**

We are excited to say that we are running an afterschool Gardening Club on a Tuesday for Years 1 and 2 next half term, starting on 21<sup>st</sup> February until 28<sup>th</sup> March 2023.

This club is open to KS1 children.

This club will focus on gardening skills and learning to grow fruit and vegetables.

If you would like your child to take part in this gardening club, please visit the 'My child at school' APP, go to the club section and confirm their place. Places are limited.

The club will run until 4.15pm, when they will need to be collected from the school office.

Please ensure your child has wellies and a waterproof coat for this club.

If for any reason your child can not attend one week, please let the school know in advance.

If you have any questions, please contact me via dojo or leave a message with the school office.

Yours Faithfully

Mrs L Robertson
