- The children will eat all meals in the Dining room.
- Soft drinks will be available to the children from the kitchen in our accommodation, as well as snacks during the day.

## Organisation

The children will be in day groups, in which they will carry out the activities. We will try to keep these groups different to the children they are sharing a room with, therefore, they can spend time with different people during the residential.

Each day group will have an adult from school with them.

Most of the activities will be carried out in these groups.

Some evening activities are carried out all together.

# Travelling

Children must be at school by 8:45am on the day of departure. The journey should take about 2 ½ hours.

A disposable packed lunch must be provided, we ask that no glass bottles, cans or fizzy drinks should be brought. We will be giving children their water bottles from school, which can be filled up with water or squash.

Suitable sweets may be brought, however these should be limited and NOT chewing gum/bubble gum.
