Dear Parents of Year Six Pupils,

SATS Revision Guides for sale

Towards the end of Year Six, during the month of May, 10 and 11 year olds all over the country take national assessments, commonly known as SATs, which assess their reading, grammar and mathematics knowledge. The results of these assessments are then passed on to their secondary schools.

Although the SATs are nothing to worry about, we want the children to be as well prepared as possible to give them the best chance of achieving the good results they all deserve. With that in mind, we are offering discounted revision guides to purchase through the school. The titles we have available to purchase through school are listed below. Each set contains 3 study / question books plus answers:

- KS2 English, Maths and SPaG: SAT Buster 10-Minute Tests £6.50 (normally £14.00 per set) ***we recommend this set if you only want to buy one bundle.**
- KS2 Maths Bundle: SAT Buster (3 book set) £5.50 (normally £12.00 per set)
- KS2 English Bundle: SAT Buster (3 book set) £5.50 (normally £12.00 per set)
- KS2 SPaG (Spelling, Punctuation and Grammar) Bundle: SAT Buster (3 book set) £5.50 (normally £12.00 per set)

These CGP revision books have proved invaluable for children in the past and we would encourage you to purchase if you can . If you wanted to choose just one set, we highly recommend the 10 minute test set as the one to get.

To purchase, go to the MyChildatSchool APP. Choose the sets you want, add to your basket and pay at the end.

We are asking for all orders to be placed by Wednesday 7th February. This will give us time to place the order and have them delivered before the Half-term break.

Yours faithfully

Mrs James
Assistant Head and Assessment Lead
