Exeter
a learning community

Wednesday 6th March 2024

Dear parents / carers,

As you will know, tomorrow is World Book Day and we have an exciting, fun packed day planned.

As part of this, we have organised for your child's class to pair up with another IFTL school in Corby (Woodnewton or Priors Hall), where they will meet online via TEAMs for about 15 minutes towards the end of the day, to share what they have been doing in their class.

This is a great opportunity for the children to see other children taking part in the same event and bringing the IFTL family together.

This will be live, with a maximum of two other classes joining your child's class (just one other class in most cases) and will not be recorded or shared any further.

If you would prefer for your child not to be in sight of the camera / screen, please let us know and we will ensure that they are sat out of view, but still able to listen in on what is shared.

Kind regards

Mrs J James
