NSPCC

Number Day

Dear Parents/Carers of pupils at Exeter - A Learning Community,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 7th February 2025.**

Everything the NSPCC does protects children today and prevents about tomorrow.

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every **25 seconds**

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

- We are taking on Buddy's Key Challenge in our classes to help raise vital funds for the NSPCC. We are working to solve exciting maths puzzles in our classes, against the clock with Buddy, the *Speak out. Stay safe* mascot. Family and friends can sponsor pupils to complete the challenge.
- We are having a fun day of maths activities and we will be taking part in *Dress up for Digits*. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Or get even more creative by dressing in a maths or numbers theme. Alternatively pupils can dress up as a rock star to support our TT Rock Stars 'NSPCC Rocks'. To help raise money for the NSPCC, we are asking for donations, and we'd love everyone in the school to take part in this special event.

Safe fundraising

1. Please send in a donation of £1 (we always welcome more!) to take part in the 'Dress up for digits day', to support NSPCC's work.

It all adds up

We're really looking forward to all the fun of Number Day, and we really appreciate your support.
All the money we raise at Exeter – A Learning Community will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you,

Mrs J James and Mrs B Letts
Maths Leads
