Dear Parents and Carers,

Transition Events

We would like to remind you of our planned events to support the children's transition to their new class and teacher. These events are in addition to extra transition work that is taking place in school.

Transfer Day – 11th July 2025

The children will spend the day with their new teacher(s). They will come into their current class in the morning and then go to the hall to be collected by their new teacher. The children will return to their current class for home time.

Meet the Teacher – 16th July 2025

All parents (current Reception children upwards) are invited to a drop-in session to meet their child's new teacher. This will be on Wednesday 16th July from 3:30pm – 4:00pm. This will be in your child's new classroom. There will be staff to assist you on the day and signs for you to follow to help you locate the correct classrooms. You may also find the map at the bottom of this letter helpful.

This session will provide an opportunity for you to say 'hello' to the new teacher as well as for you to become familiar with your child's new classroom ahead of September. We will also share trips and key curriculum content for each year group. Each teacher will run two sessions - one at 3:30 pm and one at 3:50 pm. If you are unable to attend any of the sessions, the information shared will be available on our school website.

If your child currently accesses, or will be accessing, one of our additional SEND provisions, you will also be able to visit this classroom.
