Tuesday 26th August 2025

Dear Parents and Carers,

REMINDER following letter sent on 24th June 2025: Changes to the operating hours of after school club

Further to our letter sent to you in June, we are writing to you to advise of a change in the operating hours of our on-site after-school club. From the 1st September 2025, the hours of the after-school club will be from **3:15 pm until 5:30 pm.**

Due to rising operational costs and low uptake of the club after 5:30 pm, it is no longer financially viable to keep it open until 6 pm. We have explored different options to avoid this decision, but unfortunately this is a last resort. We do apologise for any inconvenience that this may cause families who book into the club.

We will continue to offer the shorter session of after school club, alongside the longer session. In summary, the hours of these sessions will be:

3:15 – 4:15 pm (no food) - £4.50
3:15 – 5:30 pm (food provided) - £8.50

All sessions can continue to be booked via the 'My Child at School' app.

Our updated terms and conditions for 2025-26 are also attached to this letter.

Further details of after-school and breakfast club provision (including our terms and conditions) can also be found on our website: https://www.exeterschool.co.uk/parents/breakfastandafterschoolclub/

Yours sincerely,

Miss Doherty
