Friday 19th September 2025

Dear Parents/Carers,

It's an exciting time for our Year 6 pupils and families, as you begin to think about secondary school applications, and which school will be most suited to your child.

The opening date for applications was available from 10th September 2025 and the **closing date is on 31st October 2025.** The easiest way to make a secondary school application is online, using the following link:
https://www.northnorthants.gov.uk/secondary-school-places/apply-secondary-school-place

You **MUST** apply for a school place for your child, even if they already have a sibling who attends a local secondary school. If you would like support with your application, Miss Dighton will be running a drop-in session on Thursday 16th October 2025 at 3:30pm – 4:00pm in Y4 Fineshade classroom (Accessible from the KS2 playground)

We cannot suggest or advise which school our pupils should attend, and so we strongly advise our families to attend the open days offered in order to gain a picture of what each school has to offer. This will enable you to make a well-informed decision about which school you feel is most suited to your child and their needs.

Please find a list below of the open days on offer for all local secondary schools. The majority of these require booking or registration in order for you to attend, so please click on the individual links for more information. You will also find the time slots for each open evening by clicking on the links.
