Exeter
a learning community

Friday 30th January 2026

Dear Parent and Carers,

Exeter's Got Talent 2026!

We are extremely excited to invite children from FS2, Year 1 and Year 2 to take part in the inaugural Exeter's Got Talent.

Please see below for more information:

- All children from the specified year groups are encouraged to decide whether they wish to enter the talent competition, where all talents, however big or small, are to be celebrated!

- Should your child wish to enter, please notify your child's class teacher via Dojo before next Friday (6th February) with their interest in taking part and the talent they wish to showcase, so that an auditions list can be collated ready for the initial auditions on Wednesday 11th February.

- From these auditions, 2 children from each year group will be invited to take part in the Exeter's Got Talent Final, in which all participants will receive a prize to recognise their hard work and undoubted talent! A winning act will then be chosen to represent the school at the second edition of IFTL's Got Talent.

- We look forward to receiving lots of entries and giving the children the opportunity to showcase all the amazing talent that we have within our Exeter family!

Yours sincerely,
Mrs Crawford and Mr Derham
