3rd February 2026

Dear Parents and Carers,

Attendance Updates

We are working to improve our overall school attendance. Last week, our attendance for the whole school overall was 92.5% - significantly below our attendance target of 96%.

Good attendance at school shows improved social relationships for children and improved educational outcomes for children overtime. It is important that children have good school attendance.

You can check your child's attendance on the MCAS app. The table below shows how many days this equates to across the year so far:

Attendance %	Days Absent
96%	3 days
90%	9 days
85%	13 days
80%	18 days

More information regarding our approach to attendance is in our Attendance Policy, which can be found on our website. Please note the following points:

- Please make contact with the school by 9 am if your child is absent. Where no contact is made, the school will call all contacts on your child's profile and carry out a home visit if contact cannot be made over the phone. This is part of our safeguarding responsibility.
- We will carry out a home visit on day 3 of any absence.
- Absences for holidays will not be authorised.

Please reach out to your child's class teacher or Mrs Shalgosky, our Attendance Lead, if you feel your child is experiencing barriers to their attendance.

Thank you for your support.
Miss Doherty
Co-Headteacher
