Exeter
a learning community

Wednesday 24th June 2026

Dear Parents/Carers,

**Nursery Price Increase: September 2026**

At Exeter, we are committed to providing the highest quality education for our youngest children. As part of this commitment, our nursery is led by a qualified teacher, with fully qualified practitioners, an on-site forest school, excellent outdoor provision and a large, open indoor space filled with stimulating provocations. This is all designed to support children to reach their full potential.

As you will be aware, we have not raised our prices for a number of years; however, as costs are increasing, we are having to increase the price of **additional sessions** to bring parental contributions more closely in line with the funding we receive from the local authority for funded sessions.

Please note that these price increases only impact paid additional sessions; they do not impact any government funded hours.

From September 2026, the cost of each session (8:45am – 11:45am/12:30pm – 3:30pm, will be:

- £18 for 2-year-olds
- £16 for 3 and 4-year-olds

The cost of lunch (including a cooked lunch) from 11:45am – 12:30pm will be £6.
If you have any comments or queries, please do let us know.
Kind Regards,

Mrs H Crawford
Co-Headteacher

Mrs S Newstead
Assistant Headteacher (EYFS)
